# ENVIRONMENTAL CONSERVATION OPTIMIZATION (E.C.O.) SYSTEMS

**REGISTER TODAY!**

Registration is mandatory for our events. Show up, participate, and bring a friend; but, please make sure they register!

## KEY INITIATIVES

### **Ecosystem Cleanups**

Mobilizing teams to remove pollutants, restore habitats, and revitalize natural ecosystems affected by human impact.

### **Wildlife Observation**

Monitoring species and endangered populations through ethical fieldwork to drive conservation outcomes.

### **Sustainability**

Embedding low-impact practices like renewable energy use, waste reduction strategies, and responsible sourcing to create self-sustaining conservation models.

# Fundraising Ideas

## Creative Ideas for Environmental Fundraisers

### Try These Out:

- Native Plant & Seed Sale**  
Sell local, native plants and pollinator-friendly seed kits to promote biodiversity.
- E-Waste & Recycling Drive**  
Collect electronics, textiles, and recyclables in a community drive to support sustainability.
- Fuel-Free Cycle Challenge**  
Encourage people to bike or walk for pledges while raising awareness about clean transportation.
- Eco-Auction**  
Host an auction of eco-friendly goods and experiences.

# EVENT GUIDELINES

## 1. Mission Alignment:

Events must support E.C.O. Systems' values. No political, harmful, or conflicting themes allowed.

## 2. Sustainable Standards:

Use sustainable practices (e.g. no single-use plastics, minimize waste, reduce environmental impact, etc.).

## 3. Approval & Branding:

Submit your event proposal. You must have written approval to use any of our names, logos, or branding.

## 4. Organizer Responsibility:

You handle logistics, permits, insurance, legal compliance, and liability.

## 5. Fundraising Transparency:

Clearly state what portion of proceeds go to E.C.O. Systems. Funds must be sent within 10 days of the event.

## 6. Communication & Promotion:

Notify us of changes or cancellations. We may promote your event, but it's not guaranteed.
